Artifact:

Fall on the Fox

Artifact Date: October 11 & 12

Boaters and walk-up guests visited the locks on October 11 & 12 for our first annual "Fall At the Fox Locks" event. FRNSA planned the post season event to celebrate a successful season by offering boaters free passage through the locks and offering brats and burgers cooked and served up locktender-style. (photo link) Next Year? We're hopeful!
